

August 12, 2019

Valued Colleague,

We invite you to join The Urban Leadership Foundation of Colorado (ULFC) at our Annual “Leadership and Legacy: Walk your Achievement” Gala on Tuesday evening, **September 24, 2019, at the Exdo Event Center**. We are excited to celebrate twelve years of promoting the leadership development of Denver’s emerging and arriving leaders. ULFC thrives through preparing leaders to excel to higher heights, we accomplish this by preparing leaders to contribute to, and diversify boards and commissions, and ensuring ULFC leaders are engaged politically and civically while excelling professionally. We celebrate the legacy of leadership in this community by honoring African American leaders who have exemplified excellence in leadership and service while leaving a legacy for future leaders to follow; as well as highlighting leaders and organizations committed to service, inclusivity, and making impactful contributions daily.

Since our founding in 2007, the Urban Leadership Foundation of Colorado has successfully graduated nearly 350 leaders, provided \$100,000 in scholarships for program participants, completed 35 community service projects, and has cultivated African American elected officials, CEO’s, philanthropic giving organizations, board members, and much more. Our mission is to prepare the next generation of leaders today and create a pipeline of talented leaders ready to serve, promote, affect change, and work to ensure Colorado’s workforce reflects its communities. We are very excited to share the addition of services focused on youth and under housed persons in our community with our HBCU college tours and college prep program for 100 youth in the Denver Metro area and Thanksgiving in July events which provides a suite of services from mobile washers and dryers and haircuts /styling to clothing and nourishment.

We invite you to share in our effort of service, development, inclusion, and access by serving as an event sponsor or attendee. Sponsors and participants will have an opportunity to network with Colorado leaders and celebrate some of the best and brightest of our community. We truly believe it’s important to highlight and celebrate “excellence in leadership” and our gala provides an opportunity to experience this first hand. Come support the growth of the Urban Leadership Foundation of Colorado and meet the amazing leaders who have blazed the trails, so many of us follow.

We look forward to celebrating ULFC and our community’s many accomplishments with you. To learn more about our organization and the gala, visit our website, www.ulfcolorado.org or feel free to contact at info@ulfcolorado.org.

We sincerely appreciate your support!

A handwritten signature in blue ink, appearing to read "Ryan Ross", with a long horizontal flourish extending to the right.
