Dear Potential Sponsor:

The Urban Leadership Foundation of Colorado will host our 12th graduation on November 08, 2019. We are excited to celebrate thirty talented leaders from the community who are poised and ready to lead in: business, community, politics, philanthropy, non-profit agencies, as well as boards and commissions.

Simply put, ULFC prepares leaders to excel to higher heights and excel professionally, Civically, and Socially. This year the 2019 Fellows will graduate completing two large scale community service projects, having 8 promotions within the program year, and having launched several small businesses.

Since our founding in 2007, the Urban Leadership Foundation of Colorado has successfully graduated nearly 350 leaders, provided over $100,000 in scholarships for program participants, completed 35 community service projects, and has cultivated African American elected officials, CEOs, philanthropic giving organizations, board members, and much more. Our mission is to prepare the next generation of leaders today and to create a pipeline of talented leaders ready to serve, promote, affect change, and work to ensure Colorado's workforce reflects its communities.

I invite you to share in our effort of service, development, inclusion, and access by serving as an event sponsor. Sponsors and participants will have an opportunity to network with Colorado leaders and celebrate some of the best and brightest of our community. We truly believe that it is important to highlight and celebrate "Excellence in Leadership" and our annual graduation provides an opportunity to experience this first hand. Come support and meet the 2019 leadership fellows of the Urban Leadership Foundation of Colorado, you definitely want to know Colorado's newest cohort in the next generation of leaders.

We look forward to celebrating ULFC, the 2019 Fellows, and introducing these brilliant Fellows to you and the community. To learn more about the organization and the graduation, visit our website, www.ulfcolorado.org or feel free to contact Jasmine Elizabeth at events@ulfcolorado.org.

With Appreciation,

Ryan Ross, Ph.D.

URBAN LEADERSHIP FOUNDATION OF COLORADO
PREPARING THE NEXT GENERATION OF LEADERS

About Urban Leadership Foundation of Colorado

The Urban Leadership Foundation of Colorado is one of Colorado's most recognized and accomplished leadership organizations within the Denver Metro Area. The Foundation has a rich history in not only providing quality real world education, but also facilitating the advancement of our future business, political, and community leaders. The Foundation is dedicated to education, advancement, and inclusion.

Our Mission:

Our mission is to provide individuals and organizations with real world leadership education and advancement services while helping to promote diversity and inclusion.

Education/Programming:

Our flagship program is centered on goals of providing participants with real world training and education as it relates to becoming a more effective leader. We offer programs that are both theoretical and practical, which is instrumental, in hopes that participants are not only inspired, but also have the real world tools necessary in succeeding in navigating the development of their leadership paths.

Advancement & Advocacy:

In addition to providing training, our goal is to provide a consistent avenue for our participants towards advancing their careers and leadership goals. We do this by intentionally searching for and identifying business, political, and community partnerships and leadership opportunities in which our participants can take advantage.
